Going back to school is not just for kids. When daylight hours shorten, older adults can remain active and engaged in life by going back to school as Foster Grandparents or RSVP Tutors. If you are interested in learning and engaging by going back to school as an RSVP Tutor or Foster Grandparent, come talk to the Senior Corps staff at MAS! Call 728-7682.

DIBELS screening is beginning (Dynamic Indicators of Basic Early Literacy Skills) and it is for First thru Third grades. And, MAP screening coming up shortly!! Results of both of these screenings are used to find missing skills and to indicate what a child is ready to learn. Also results will be shared at first quarter conferences.

MAP Testing has started . It is important that the students get a good rest .

The Booster Club is pleased to announce that Griz Kids Montana, a local non-profit, has awarded us a block of tickets to this year's famed Cat/Griz football game! The Game will be on Saturday, November 19th at Washington Grizzly Stadium on the UM campus. Beach Transportation has also generously donated a bus to transport kids to and from DeSmet and we will be providing chaperones to accompany the students. In addition to game tickets and transportation, students will also receive food and drink vouchers. Please sign up early as there are a limited number of tickets which will be awarded on a first-come, first-served basis. See Attached
